I feel that I would make an excellent national council delegate because I have a strong understanding of the Girl Scout movement, and I am somewhat familiar with some of the new changes that have or will be taken place. I would like to be given the opportunity to be a part of the delegation and democratic process that usually happens during this time in the Girl Scout movement. I also would love to have the opportunity to work with and meet other Adult Girl Scouts, and I feel that being a national council delegate will give me a better chance of doing just that. One last thing, if it was not for Girl Scouts, I don't think I would have the core of friends that I have today. My "best friends" are Adult Girl Scouts.

I want to thank you for giving me this chance to apply for the opportunity of being a national council delegate to represent the newly formed Girl Scouts of Western Ohio.

Sincerely,

Veronica Brown
