To Whom It May Concern,

My name is Holly Bader and I am interested in being a National Delegate or alternate for the upcoming 2008 National Convention in Indianapolis. I was a Girl Scout as a girl from Brownies through Cadettes. Later I became a leader of a Junior Troop and a Cadette Troop while in my early twenties until we transferred overseas with Procter and Gamble. Upon returning, I became involved again as a leader for my daughters troop and as a Service Unit Manager. After stepping down from the Service Unit Manager position after four years of service, I joined the Great Rivers Board serving for 4 years. During this time I was involved in numerous committees, was a delegate at the 2002 National Convention, a visitor at the 2005 National Convention and was on a committee for the merger into Western Ohio Council. My daughter and I have also attended the 5th National Latino Conference 2005, programs at Our Cabana 2006, Our Chalet 2007, Pax Lodge 2007 and will attend a program at Sangam this summer.

I believe my numerous areas of involvement in the Girl Scout Movement give me a broad range of perspectives to be used at the National Convention. This is an important time in Girl Scouting and having delegates who are passionate and knowledgeable about the organization voting at the convention is important. Please consider my Girl Scouting experience as you select delegates and alternate delegates to represent Girl Scouts of Western Ohio at the 2008 National Convention.

Thank you for your time and consideration.
