**Subject:** national council delegates

**Importance:** Low

To whom it may concern:

My name is Anne Troy and I am interested in becoming a delegate to the National Council Meeting in October/November of 2008.

I am currently listed as an assistant troop leader for a Senior Troop with my younger daughter. In 2006 I finished up as a leader taking a troop of girls from Daisies to Senior scouts. Five of these girls received their Silver Awards and one of them, my oldest daughter, received her Gold Award. My younger daughter is slated to receive her Gold Award this April. I have been a service unit co-director and I have been a camp director for a service unit day camp for seven years. I have received an Outstanding Leader Award in the 1990's and an Appreciation Pin in 2002 and the Honor Pin in 2006 for ourstanding service and dedication to Girl Scouting beyond the service required.(This is as best as I can recall)

I have been a Girl Scout for close to 40 years- my growing up years and then as a campus scout and troop leader in college. After college I had a troop in Winchester , Virginia and the a troop of physically handicapped children when I worked in Dover, Delaware. When my own daughters were born I became a leader again.

I am, by occupation, a special education teacher. I currently work with children with special needs in a grade school. I have also been involved in my church community as a Sunday School teacher, Bible School teacher and adult volunteer with our youth group and mission trip adult volunteer. I was a Cub Scout Den leader for my son for a year and I volunteer as needed with my sons' Boy Scout Troop.

I would make a good council delegate because of my love of and belief in Girl Scouting . What I would bring to the delegation is years of experience as a Girl Sout, a young adult volunteer and then as a mother and troop leader. I would make a good candidate because basically ..my blood is green.

Thank you for your consideration.
