I was contacted by Judy Bernard to be a National Delegate in 2008, as I was a National Delegate in 2005.

I am presently Troop Leader for Cadette Group 10055 in Tres Rios. Current occupation is Quality - Engineering (PPAP Coordinator / Auditing) at ITW Tomco, Bryan, OH. I have been working at Tomco for 14 years.

I was Service Unit Registrar from 2003 - 2006, Service Unit Director 2004-2007, Trainer 2006-Present, Numerous Committees (Family Celebration for West Cluster), Adult Conference, Troop Leader for 7 years, and many hours of community service with Girl Scouts in Northwest Ohio.

I have received the Outstanding Volunteer Award, Outstanding Leader Award, Volunteer Connection Award, the Appreciation Pin and various recognitions from Defiance Softball Association and Defiance Youth Center.

I have a B.S. in Education from Bowling Green State University which helps me mentor Girl Scouts with patience and enthusiasm. I know that dreams become reality with goal setting, hard work and focused concentration. I feel I should be a delegate so I can bring back knowledge of National news to my Cadette troop and the Service Unit. The organization of Girl Scouts must constantly change, to keep up with world-wide technology and demands of our participants. I want to share this news and show how goal-setting creates a "dream come true" reality. Please pick me to be a National Delegate.

Thank you.
