My name is Kellee Chancellor and I am currently the Regional Director of the Maumee Valley Region of the Girl Scouts of Western Ohio. Prior to my position within Girl Scouts of Western Ohio I worked with the Girl Scouts – Great Rivers Council for 8 years. I started as a Membership Services Specialist (1/2 year), Program Services Specialist (1 ½ years) and finally as the Program Services Manager (6 years). I also served as a Big Sister with the Big Brothers/Big Sisters Association of Cincinnati for 6 years as well as a team lead for the non-profit organization Give Back of Cincinnati for 2 years. I was recognized as a YWCA rising star in 2004 and participated in the 2007 YWCA Board Leadership Program. Prior to coming to work for Girl Scouts I was selected to serve for two years as an Americorps VISTA in Baton Rouge, Louisiana.

I am applying to be a national council delegate because I believe in the importance of being an active participant and sharing with the national organization the issues/concerns I see girls and volunteers facing within the Girl Scout organization. I believe my experience and passion for the mission and goals for girls make me an excellent candidate to be a 2008 national council delegate. I also see this as an opportunity for me to see governance at a national level especially during this major time of change, as I have not previously attended a national convention.

If you need any further information, please contact me at kchancellor@mvgsc.org or at the above listed phone numbers.

Sincerely,

Kellee J. Chancellor
