Memorandum

Date: December 19, 2007
To: Board of Directors
From: Nancy Dawes, Chair
Subject: Annual Campaign for Girl Scouts of Western Ohio

Board policy 3.2, Board Job Description, specifies that the board has direct responsibility to create “active participation in fund development for the Council.” At the January board meeting, we will ask each member of the board to make a pledge to the 2008 Annual Campaign for Girl Scouts of Western Ohio. It is very important that we have 100% participation by our board members before we go to our volunteers, parents of girl members, past donors, and the community to request financial support. Your pledge will demonstrate your commitment to our mission and goals. I hope you will join me in considering a meaningful contribution to this year’s campaign.
