Subject: Girl Member-at-Large Biographical Information

As stated in the council bylaws, Article VI, Section 1, Item D, members of the Board shall be:

“One or two girl members, 14 years of age or older, appointed by the elected members of the Board, each for a one-year term.”

The members of the Board Development Committee recommend that the Board appoint the following two Girl Scouts to serve a one year term of 2013-2014:

Kelci Culp, Troop 46678, is a Junior at Mason High School and an Ambassador Girl Scout. She has been a member of Girl Scouts for 11 years and has served as a Program Aide for various Girl Scout camps for younger girls. In addition to Girl Scouts, Kelci was accepted into the Student Ambassador Program at her high school, which provides new students a friend in high school for guidance and support. She has joined Student Government to have her voice heard in school issues and has worked with Project Linus to provide blankets to children’s organizations and women’s shelters. Kelci has been involved in Competitive Cheerleading and track and has been inducted into the National Honor Society. She works part-time at The Web, hosting parties for kids and adults. She hopes to gain a lifelong learning experience from her term on the board and feels that it is a wonderful chance to expand her leadership experience.

Kayla Richer, Troop 10416, is a Junior at Sylvania Northview High School and an Ambassador Girl Scout. Kayla is active in her school, participating in Interact and Northview Leadership Academy. She has attended Camp Libbey for nine years, going for three weeks each summer. She participates in service projects with her church and has been on a mission trip to Tennessee to help the Morgan-Scott Project to rebuild houses and maintain their food and supply bank. Participating in Hannah’s Socks is another favorite service project for Kayla. She spends 2-3 hours each Saturday at Sunshine’s therapeutic riding barn, helping people with disabilities to ride horses. Kayla hopes to represent Girl Scouts of today and tomorrow on the board. She believes that sitting on the board will give her practice in leadership, business, and teamwork.
