Subject: National Council Proposal Request

We have received the attached request to review and support a proposal from the Girl Scouts of Central and Southern New Jersey. This proposal would create a registration fee for services that includes the \$12 membership fee and would be based on each individual council's budgetary needs.

According to the *Blue Book of Basic Documents*, in order for the proposal to be placed on the National Council agenda, it requires support from a minimum of 15% of all Girl Scout councils by October 29, 2010.

We would like to briefly discuss and determine if there is interest in continuing the dialogue at a future board meeting.

Our Mission

*Girl Scouting builds girls of courage, confidence, and character,
who make the world a better place.*
