Subject: Telling the Girl Scout Story Session

Julie Bauke has agreed to lead a session with the board on “telling the Girl Scout story”. The goal is to help you gain clarity to answer questions about Girl Scouting, to redirect answers, and to help you learn how to “enlighten the unenlightened about today’s Girl Scout program”.

As you prepare for the board meeting, please think about what you are currently saying about Girl Scouting and try to bring a few personal or organizational Girl Scout success stories for small group work. Our work will attempt to take our overall messages and break them into “tellable stories”, which will be different for each individual.

Our Mission

*Girl Scouting builds girls of courage, confidence, and character,
who make the world a better place.*
