To: Board of Directors
From: Fund Development Committee
Subject: Development Pre-Meeting Assignment

During our next board meeting, the fund development committee will be discussing the role of the board in building relationships within the community that will help support the Girl Scout mission. In preparation for this discussion, we are asking each of you to think about the following scenario and be prepared to share your response at the meeting.

FUND DEVELOPMENT PRE-MEETING ASSIGNMENT:

You are having lunch with a friend who is interested in women's careers and in the community. She says, "I read something in the paper last week about the Girl Scouts selling cookie again. Aren't you involved with Girl Scouts? Do you think Girl Scouts is still relevant for girls today?"

*If you could make 4 or 5 points with her to possibly make her a friend of Girl Scouting, what would they be?
Come prepared to discuss your answer.*
