Name	Position	Topic	Comment	Communication Method
Amber Sinclair	Troop 20587	My girls love camp Myeerah	I understand that financial needs may necessitate the sale but girls have participated in many activities at Myeerah and love what Myeerah has to offer.	e-mail
Andra Dillon	Troop 30937	My girls love camp Myeerah	My Brownie troop saved at Myeerah and loved it. Liked staying in Troop House (sleep inside but outdoor experience); Understand if needed to be financially responsible but will be sad to see camp sold.	e-mail
Anna Mitchell	Troop 20229	My girls love camp Myeerah	As troop we have enjoyed using camp Myeerah; disappointed that we may lose the camp; understand the financial aspect of maintaining camp in comparison to amount it is used.	e-mail
Anne Smedley	Troop 20632 01, 02	delay decision	Give more time for troop leaders to have their voices heard.	e-mail & attended meeting
Annette Swisher	Past Staff	delay decision	Board needs to ask more questions; data came with an agenda	meeting speaker
Bambi Markham	Past Staff	eco system protection & distribution of camps/ resources	M- Ecology of Myeerah is unique in Ohio. What is financial reserve of the council? Is this about money? Posted Questions	meeting speaker & comment form
Becky Puff	volunteer -- no appointed position	distribution of camps & programming	e-mail-- unfair that they already closed Brookside; finances not divided evenly (Libbey is nice!) C- Why a council directive to minimize programming at Myeerah?	e-mail & comment form
Beth Siegrist	Troop 20587	My girls love camp Myeerah & programming	While very unhappy about potential decision to sell, I understand; I have fond memories as a girl and with daughter's troop. Camp underused due to lack of programming and camp staff. Sad - but money needed to maintain outweighs use.	e-mail
Carol Bertrand	Audubon	eco system protection & Audubon legal role	C- Tri-Moraine Audubon has long, ongoing investment in & association with Myeerah / GS because of the importance of the ecosystem. M- camp can't be sold without permission of Audubon Society	meeting speaker & letter
Carol Hipple	volunteer -- no appointed position	programming / marketing & delay decision	Have you looked at pre-merger data? Have you marketed camps to outside groups? Will Tier 2 camps be sold eventually? Delay decision.	meeting speaker & comment form
Cindy Wood	Past Staff	programming	M - 2008 directive not to do programming at Myeerah; '06 & '07 events - 600+ girls; fears lower price than property worth	meeting speaker

Claire Davis	Lifetime Member	My girls (!) love camp Myeerah	Many wonderful memories at Myeerah; I am a great believer in "being prepared" and learning the outdoor skills is a great and fun way to accomplish that. Sorry, but I just feel strongly about girls knowing how to live in nature.	e-mail
Coral Carter	(non-member) Parent of Girl Scout in Troop 20062	My girls love camp Myeerah	My daughter has spent many fun times at Myeerah. Please don't sell.	e-mail
Danielle Jenkins	Troop 20556	Myeerah's condition	Feel Myeerah has been neglected for years; don't like way that lodge kitchen was renovated; please consider all options before making a decision	e-mail
Debbie Hayes	Past Staff	programming & money	How many times were programs presented to troops, leaders, and/or outside groups in past three years? (comparison by region); Stop looking at quick money!	comment form
Dyani Hugo	Lifetime Member	eco system protection & distribution of camps	<p>C - ●Will the council consider the value of the ecosystems on property in making a decision?</p> <p>●How do we expect girls to value ecosystems if we sell?</p> <p>●Will board sell a camp in south half of council and use to develop Myeerah?</p> <p>M- If I have to do my own programming, why would I pay GS membership fee?</p>	meeting speaker & comment form
Ellie Townley	Troop 20528 Assistant leader (02)	money	When is council going to take responsibility for raising the money and not rely on girls or volunteers?	meeting speaker
Jackie Augustine	Audubon	eco system protection	Camp Myeerah has some of the best, most diverse geological features...; I support an extension of Sept deadline to pursue non profit ownership or private ownership that ensures environmental conservation and public access (per easement)	meeting speaker & comment form
Jackie Light	Audubon	eco system protection	Need to get more people (GS & community) interested in environment & using / volunteering at Myeerah; value of daughter's experience	meeting speaker
Jackie Paguirigan	Lifetime Member	programming	Use it don't lose it. ; Camp Myeerah has potential -- like Daisies and Brownies have potential....	comment form
Jane Krites	Past Staff	distribution of camps / resources & loss of culture	Why 3 camps in Warren Co? Mourning loss of culture in Lima region; membership decline?	meeting speaker & letter
Karen Howell	Past Staff			attended meeting

Name	Position	Topic	Comment	Communication Method
LaDonna Compton	Past Staff	eco system protection & distribution of camps/ resources	Camp Myeerah is a jewel of nature; I have heard leaders say they have trouble getting into camp Myeerah and I wonder how available days and use are calculated.	e-mail
Lesa Shouse	Lifetime Member	distribution of camps / resources	You do not have a Tier I camp in the AR region! How are girls going to get a camp experience? What will happen with the money? AR girls paid for this camp.	comment form
Lisa Philllips	Troop Leader	distribution of camps / resources	Are any camps in Cintti for sale? Where would the money go? Why don't we market for outside use? Why September deadline?	comment form
Lowell Brose	Community Member*	Money	It's about the money; board doesn't know anything about the property; only represent money	meeting speaker
Marlena Ballinger	Lifetime Member	programming	If offered more program would it cover costs to keep camp open? Why decrease? Need to consider emotions attached to camp.	meeting speaker
Mitch M	Troop Leader	delay decision	Outdoor experience is valuable to girls; take long term perspective in sale of camp; consider all options	phone call
Peg Ehora	Community Member *	eco system protection & distribution of camps / resources	M- Appleased Ridge "won't go down without a fight"	Meeting speaker & Letter
Sarah Bowers	volunteer -- no appointed position	distribution of camps; programming	C- How do you justify maintaining camps only near major populations? What would it take financially to keep camp open? What would sale money be used for? Can offer more programming? M-Since Myeerah closed, would be no camp opps near us (within 1 hour)	Comment Form Meeting Speaker
Sharon Smith	Former Board Chair			Attended Meeting
Tammy DeLong	troop 20062	My girls love camp Myeerah	My girls have spent many fun nights at Myeerah and they love it.	e-mail
Tammy Trenshaw	troop 20437	programming & distribution of resources	In our region - take, pay for this, charge for that; events in Lima - charge \$6.00 admission ...	e-mail (to SU)
Valerie Baughman	GS Leader	programming; distribution of resources	No camp director at Myeerah; My girls loved daddy daughter but discontinued. Before long AR will be not exist and our GS heritage will be gone. (Camp Libbey seems to get it all.)	e-mail (to SU)
